AMENDMENT

Assistant Commissioner  
for Patents  
Washington, D.C. 20231

September 3, 2002

Sir:

In response to the Office Action dated April 1, 2002, the period of response for which extension is requested by the attached Petition for Extension of Time, please amend the above-identified application as follows:

In the Claims:

Please add new claims 21-27 as follows:

- 21. An electronic device, comprising:
- a substrate of insulating resin having at least a pair of interior terminal portions for connection upon an upper surface thereof;
  - an electronic element mounted on the terminal portions on the upper surface of said substrate, having at least a pair of electrode terminals thereof;
  - a frame member of insulating resin, bonded on the upper surface of said
